Oohrah Motorsports

Dear Brett:

What a wonderful way to celebrate the Irish in all of us at the 2004 MCRD St. Patty's Day Run! With over 900 runners who were sporting various shades of green, all enjoyed the "luck o' the Irish" and finished a great race with food, prizes and those festive beverages. It was a great way to spend the afternoon and celebrate a fun holiday.

We could not have held such a successful run without the continued support of our fantastic sponsors. Every one added their own special touch to the race and made it that much more enjoyable for our Marines. Please accept our sincerest thanks! Also, please find some pictures of the event along with a "wee" token of our appreciation. We hope you had as much fun as we did!

Thank you again for your valued participation in our first 5k of the year. We truly have the best sponsors in San Diego and are looking forward to many more events aboard the Depot in 2004. We invite you to come along with us and enjoy!

Sincerely,
