

June 1, 2004

Oohrah Motorsports

What a great way to spend a Saturday at the MCRD Family Day & Clean Up the Bay event! With a quick cleaning of the bay, the Marine families were on to a kid-friendly run, a visit with the Easter Bunny and tons of activities & games. Everyone enjoyed a great lunch and over 500 people enjoyed the bunny hop, limbo contest and lots of other games and activities.

The event could not have been so much fun or been as successful without the support of our fabulous sponsors. Everyone really added to the event and made sure our Marines and their families had a fun day. Enclosed please find some pictures from the event along with an official t-shirt. Our sponsors really go above and beyond and this event was no exception. Did you catch me doing the bunny hop? It was great!

Thank you again for your support and ongoing partnership with MCRD. It continues to be a joy to work with you and our events just keep growing. You are definitely a big reason for that. We have many more events lined up for 2004 and we invite to participate. Enjoy the summer!
